THE NEWS BUILDING - NEW YORK

LL13558

THE NEWS BUILDING is considered one of the finest structures in New York. It cost ten million dollars to build. The tower rises 36 stories; a nine-story newspaper plant adjoining. The facade on the front of the building contains figures, carved from stone, representing people from all walks of life. The words "He Made So Many of Them" is a quotation of Lincoln's. The beautiful News Lobby draws thousands of visitors daily.
